Polymer skirtings

Our new and environmentally responsible range of skirting !

Polymer skirtings :

- Are locally manufactured and are fully recyclable,
- Are waterproof,
- Are termite and insect proof,
- Are maintenance free,
- Will never warp, bend or distort,
- Are very easily installed,
- Are durable, and have lasting quality with consistent and beautiful finishes,
- Are available in a wide range of colours and finishes.

Manufactured from a state of the art polymer material, they are harder than supawood (mdf) and are exceptionally tough and light.

The patterns and colours are fused into the surface, giving you the ultimate, no-nonsense high quality skirting any homeowner will be proud of.
